

ABOUT INSIDE EDGE

About Inside Edge

- **More than 250 years of combined flooring industry experience.**
- **Completed more than 20,000 flooring projects.** Installed 120 million square feet of flooring since our inception in 2004.
- **Doing business with the nation's best:** The most respected senior and long term care chains and corporate customers in the United States.
- **Install every type of flooring:** LVT, VCT, Sheet Vinyl, Ceramic, Carpet, Wood and more. You name it, we've installed it.
- **Perform any type of project:** occupied remodels, new construction, repairs or refresh.
- **Own and operate the right equipment or machinery needed.** Get any type of job done: planetary grinders, demo equipment, etc.
- **Everywhere and anywhere you need us to be.** Our Labor resources include our network and "self-performing crews." We hold licenses as required and are licensed and insured nationally.
- **Multi-location experience.** Simultaneously performs an average of 100 jobs weekly in locations across the country.
- **Named to the Nations "Top 10"** among Commercial Flooring Contractors in July 2012.
- **Experienced LEED Certified personnel.** We support our customers in achieving their environmental goals and achieving sustainable flooring installation.

"...We were impressed with their approach to moisture mitigation and how quickly they were able to help us resolve the situations so that we could get up and running. It's refreshing to work with a company that has that level of expertise."

Multi-location US Retailer
