Installation Capabilities

OUR SERVICES

Program Management Experts

- Our customized **program management software** houses project details and provides real-time visibility on all your projects.
- We have a dedicated **in-house service team** who become experts in your project installation needs.
- We are a partner who truly understands your needs. We can manage your projects from start to finish to ensure they are **on-time and on-budget**.

Consistent Results with Flexible Options

- To ensure **minimal office disruption**, we have the ability to schedule our work when it works for you. Be it weekends or overnight.
- We have **fixture moving equipment** to easily move fixtures and furniture, ensuring a seamless experience.
- We create customized **Uniform Labor Practices** to meet your project expectations and deliver consistent results.

Nationwide Flooring Installation Capabilities

- Our **highly trained labor network** has the ability to install flooring in every part of your building with the highest quality.
- Our unbiased third-party inspector network provides **testing and site assessments** data.
- Material management from A to Z. We leverage our extensive **vendor network and buying power** to provide you with the best value.

WHO IS INSIDE EDGE?

Inside Edge is a national project management and flooring installation company that is 100% employee-owned, so our people care about our business and those we work for. We provide nationwide flooring services with a solutions-driven approach and deliver consistency, with best-in-class quality and communication, at a competitive price.
