

COVID-19 Job Site Safety Requirements

Date: 4.30.20

This message is for all representatives of Inside Edge on all job sites until further notice.

This guide lays out increased safety measures required to protect you, your crews and our customers.

These are base guidelines below, always follow the rules of the customer/job site you are on.

Please know we are here to support you and your efforts in performing for the customer, if you are in need of supplies or have questions or concerns, please reach out to our Labor team.

GUIDELINES:

- Wear personal face masks, when social distancing standards can't be met.
- Wash hands frequently
- Adhere to social distancing when feasible
- Sanitize tools between uses
- Wear gloves when touching customer's merchandise, dispose after use
- Cough or sneeze into your elbow if you do not have your face covered
- Stay home if sick

PLEASE:

- Ensure all face masks are:
 - Worn properly over the nose and mouth
 - Are not loose or tied around the head or neck
 - Be work appropriate, non-offensive, and free from derogatory designs or graphics
- Follow CDC guidelines at all times concerning personal hygiene and safe social settings: [Click Here](#)

Inside Edge MUST be notified of personnel that have previously entered or are currently on an Inside Edge job site that:

- Have tested positive for COVID-19
- Have been in contact with someone who has tested positive for COVID-19
- Is currently or has presented symptoms (within 14 days) of COVID-19
