

# COVID-19 Travel Safety Requirements

Date: 4.30.20

***This message is for all representatives of Inside Edge on all job sites until further notice.***

This guide lays out increased safety measures required to protect you, your crews and our customers.

As always, please know we are here to support you and your efforts in performing for the customer, if you are in need of supplies or have questions or concerns, please reach out to our Labor team.

## **TRAVELING TO AND FROM SITES:**

- Wear personal face masks, when social distancing standards can't be met.
- Wash hands frequently
- Adhere to social distancing
- Stay home if sick
- Cough or sneeze into your elbow if you do not have your face covered
- Clean and disinfect high touch surfaces often
- Wash any plates, cups or silverware that were not previously wrapped
- Minimize stops to limit contact

As the situation around COVID-19 is ever evolving, refer to the CDC guidelines for safe travel and state by state health information:

[Travel Recommendations](#) | [Health Directories](#)

### **Inside Edge MUST be notified of personnel that:**

- Have tested positive for COVID-19
- Have been in contact with someone who has tested positive for COVID-19
- Is currently or has presented symptoms (within 14 days) of COVID-19
